*On February 16, 2008, Caitlin Johnson and Jonathan Bergosa were joined in marriage at the Hawaii Branch of Jehovah's Witnesses in Honolulu, Hawaii. Their close friends and family joined them in this celebration and enjoyed a festive reception at the Kō'olau Golf Course. This event was just the beginning of what will surely be a lifetime of joy and happiness together.*

*Preparation*

*All the women, and one little boy, gathered together at the future Salt Lake home of Jonathan and Caitlin so they could get every last hair put in place and make sure beauty was in the eye of every beholder.*

*After finishing up the preparation process, everyone leaves for family pictures at Moanalua Gardens, where Jonathan will get his first look at his beautiful bride.*

*Ceremony*

*The time for official business has begun. The guests have arrived and the nerves have set in. Everyone takes their place and waits for the music to start. A marriage is about to begin its course.*

other's best friend, confidant,  
lover, teacher and listener.*

in the hearts of two people  
who love each other, and this  
will take a lifetime to fulfill.*

*Relief...  
and Joy*

*The ceremony was now complete.  
The documents were signed and  
everything was legal. All that was  
left were some hugs, a stop at  
7-Eleven for drinks and snacks  
and then a trip to Kailua Beach  
for some fun pictures.*
