

On October 22, 2007, Stephanie Russell and Jeffrey Plunk were joined together in marriage at the White Orchid Beach House in Makena on the island of Maui.

Those close to them witnessed this glorious event under a perfect blue sky. It was followed by a brilliant Hawaiian sunset and a fabulous meal. It would be the first of many more fantastic days and nights as a married couple. Aloha nui loa is a love that is eternal.

"Three Roses"

by Jeffrey Plunk

*the first is for my mind,
which is always thinking of you*

*the second is for my heart,
which will always love you*

*the third is for my soul,
which will always be yours*

"When I wake up in the morning and the sun light hurts my eyes

And something without warning bears heavily on my mind

Then I look at you and the world's alright with me

Just one look at you and I know it's gonna be a lovely day"

-Bill Withers

*You're the lovers rock, the rock that I cling to
You're the one, the one I swim to in a storm
Like a lovers rock"*

-Sade

*“If everyone in the world would give me their treasure
I would not want for more than I have right now”*
