The Wedding Day • July 14, 2007 • Maui, Hawaii

*Danny and  
Nicole*

*I don't need to take no trip to outer space  
All I have to do is look in your face  
And before I know it I'm in orbit around you  
Thanking my lucky stars that I found you  
When I see your constellation, you're my inspiration  
And it's you*

-Tom Waits

*On July 14, 2007 Danny Trubnikov and Nicole Denmark exchanged wedding vows at the Seawatch Restaurant in Wailea on the island of Maui. They overlooked the endless Pacific Ocean as they said "I do" and sealed their vows with a kiss. It was a long, worthwhile journey from New York to Hawaii, but it was just the start of their life together.*

*"I could never love again  
So much as I love you  
Where you end where I begin  
Is like a river flowing through  
  
Take my heart, take my eyes  
'Cause I'll need them no more  
If never again they'll fall upon  
The one I so adore"*

“What did you say  
I know you were singing  
My ears won't stop ringing  
Long enough to hear  
Those sweet words  
And your simple melody

I just have to hear  
Your sweet words  
Spoken like a melody  
I just wanna hear  
Those sweet words”

*Norah Jones*

*Will the bouquet  
and garter toss  
determine who will be
